Subject: RE: PCBs: Former Pechiney Cast Plate Facility -- Follow Up Schedule

Hi Carmen,

As an update, below is the schedule for the work at the Pechiney site for the next two weeks:

- Monday – Friday (August 19 through 23, 2013): site mobilization, setup of the met station, and site prep for the concrete removal and below grade work.
- Beginning the week of August 26, 2013: Begin concrete removal and below grade demolition work, starting at the north end of the property in the Phase I area.

Please let me know if you need any additional information.

Regards,
Linda Conlan, PG

Hi Carmen,

We have a tentative start date for the below grade demolition work at the Pechiney site. We anticipate starting the work on August 19, 2013. Let me know when you are available to discuss, so we can set up a call.

Thank you,
Linda Conlan, PG

Hi Carmen,

Just wanted to give you an update on the schedule for the Pechiney site. There is a potential that the below grade demolition and soil removal work may begin in mid-August 2013. The timing of the work still remains dependent on the resolution of the purchase and sale agreement with the City of Vernon. We should know more regarding the schedule in the next two weeks.

I'll give you a call this week as a follow-up.

Best Regards,
Linda Conlan, PG
